

Building Financially Savvy Communities **Training for Teachers**

Want to help your students learn the basic concepts of money management? Get \$mart Idaho has teamed up with Money Management International to offer this training to teachers.

This training will prepare you to teach key financial skills:

- Goal setting and winning the game
- Make and keep budgets
- Establish and use banking products and credit wisely
- Build savings
- Establish and manage credit reports and increase scores
- Relationships and money
- Child to adult ...what it takes to live on your own

For your own benefit, this training will feature an expert panel presentation on a variety of topics including banking, investment products, and financial resources.

Additional perks:

- **Free** resources, tools, books for your students
- On-going support from MMI staff
- Educational credits or CRA credits (WA OSPI)
- Bring the tools home to your co-workers and family
