

Canfield Middle School Invitational Hayden Canyon Cross Country Meet

The end of the season district middle school cross country meet is changing locations. Due to the increase in fees we are experimenting with a new site for this meet. Hayden Canyon is located north of Lancaster on Government Way in Hayden, ID.

Large Middle Schools will still be required to pay a \$20 fee that will assist in covering our costs for awards, workers and other fees that come with putting this meet together. Checks are to be made out to Canfield Middle School.

Small Middle Schools will still be required to pay a \$10 fee that will assist in covering costs for awards.

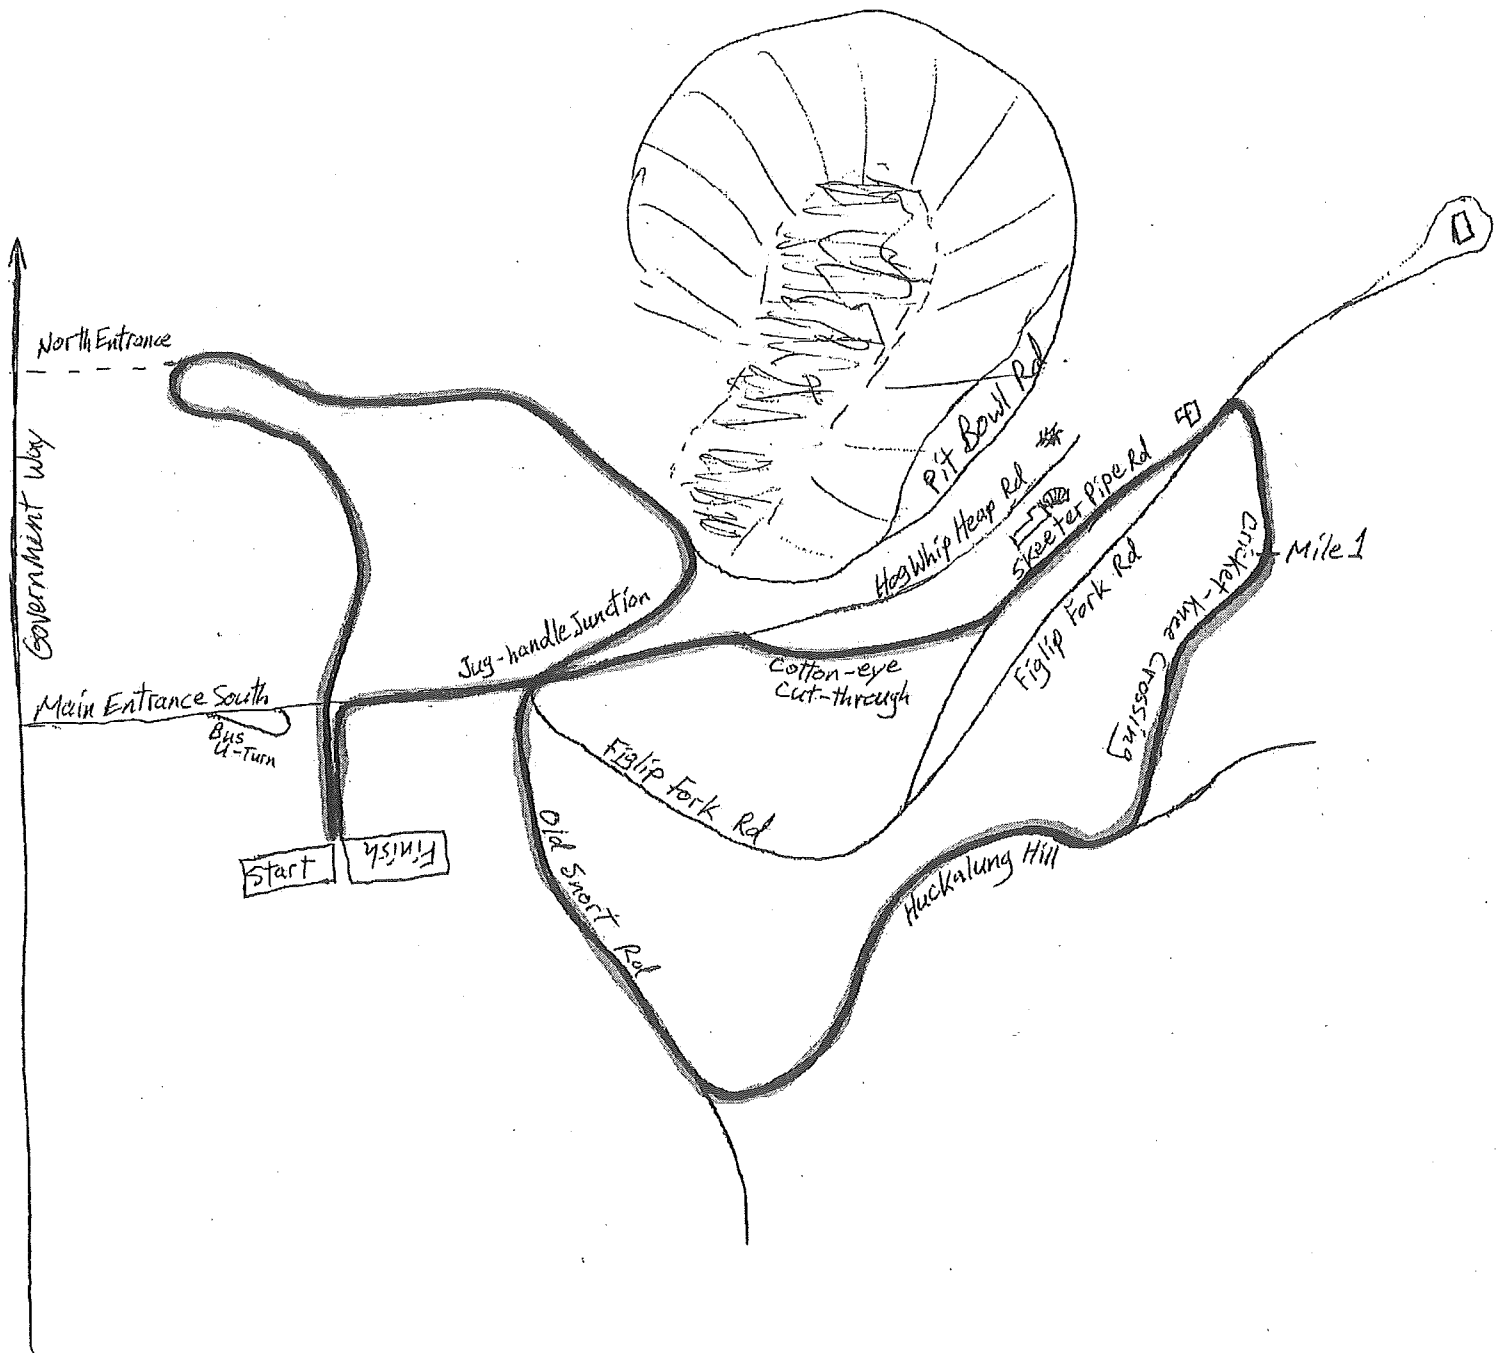

There will be no fee for parking.

There will be no fees per runner.

CDA High School is working on setting up a concession stand for those in attendance.

If you have any questions please contact Mike Lindquist at Canfield Middle School.
